## Eyam C E Primary School

### Fortnightly Newsletter Term 4 Issue 4 Friday 16 February 2018

#### Thank you all

Thank you to parents, pupils, governors, staff and your extended families for your support this week and in particular staff and governors over the recent half term as we have built up ready for Inspection. Fancy Ofsted arriving 4 years to the day! Although it was due from February 14<sup>th</sup>, it could have been up to next Feb 2019.

As headteacher, I would like to express my gratitude to the huge effort staff put into planning, teaching and enabling learning, and to the pupils who rang out our vision to be a thriving community built of self-motivated, resilient learners who work together using critical thinking skills to achieve and celebrate success through a culture of respect.

We are not able to share the outcome of the Inspection until it has been through several weeks of admin protocol. However, your commitment to learning shone and was recognised. It is so true that **Together Everyone Achieves More**: we are all part of this amazing team. Our head girl summed up Eyam School when she told the Inspector "We welcome everybody, equally".

Enjoy this piece of work, it's what the Inspector experienced, it sums up beautifully the hard work of the children. This was written by a Y2 pupil.

*Wednesday 14<sup>th</sup> February 2018*

*WALT: Have a go at writing an inspirational message from the perspective of a story's character.*

*Steps to Success:*

*- I know the story of "The Darkest Hour"*

*- I know what it means to have a "Growth Mindset"*

*- I can write a message from Chris's perspective, using the personal pronoun I, . ! ? interesting adjectives and adverbs, exclamations and commands.*

**Dear little Chris, never forget you're a confident boy and never give up on your dreams and be what you want to be and persevere. Be bold and strong because you know you're confident not afraid! I know you'll be a real astronaut.**

### Retirement

I would like to let you know that Mrs Brunt has decided to join her husband in his retirement. She has been at Eyam school for over 28 years - we will miss her super teaching and in particular her in-depth knowledge of maths. She has even taught some children of her early pupils! The Governors are busy recruiting a replacement for this class teacher position.
