Quicksticks Hockey

Congratulations to our fabulous Eyam Eagles and Eyam Warriors who were awarded the Spirit of the Games trophy this week at a tournament in Wirksworth playing with 8 teams from across north Derbyshire. The award represents the sports values of passion, determination, teamwork, self-belief, resilience, honesty and respect. Well done year 3 and 4 we are really proud of your skills and your sporting attitude. Thanks to parents for helping to drive the teams!

Share a pencil day is designed to make us really think about getting on together in the world so that all children can have good life chances – the children will be using a range of online resources as well as physically sharing a pencil! This year the Diocese have linked with the charity **Hope Education whose aim is for a brighter future.** Here is their mission: Millions of children the world over dream of the chance to attend school but simply do not have that opportunity. Natural disasters, war and conflict and extreme poverty are the main reasons. Hope is a social enterprise which has been set up by Evan Lewis with the sole purpose of raising awareness and funds for children who do not have access to education. By supporting projects worldwide through the sale of Hope pencils we want to give children that chance to shine bright again.

“One child, one teacher, one book, and one pen, can change the world.” Malala Yousafzai

 You will see that this links directly with our award system which aims to enable our children **to let their light shine.** Matthew 5:16 It also reflects a virtue we focussed on last year – Hope and by exploring aspects of the global community we are ensuring the children here are learning to consider their place in the world’s future.

The Sun has got his hat on.....
 Please be mindful of 'Sun Safety'. We strongly recommend that all children bring a named peaked hat that covers their ears, face and neck. Please apply a generous layer of sunscreen at the start of the day. If you wish to provide your child with additional sunscreen that can be reapplied at a given time, please be aware that your child must be able to administer the cream without adult support. Please ensure your child brings a named bottle of fresh water each day and finally please remember to name all school clothes, including shoes.

Handi App for parents

A new app has been launched to provide advice and support to parents, carers and healthcare professionals looking after children with the most common childhood illnesses.

The HANDi app has been developed by paediatric consultants and will give you access to home care plans, as well as GP and hospital clinical guidelines, to help you provide the best support for your child and give you confidence in caring for them when they are unwell. The app describes care plans and guidance for the most common childhood health concerns, including:

- Abdominal pain
- Chestiness
- Diarrhoea and vomiting
- High Temperature
- Problems during the newborn period

Download the FREE App today

Download the HANDi App for Android phones at [Google Play](https://play.google.com/store/apps/details?id=com.handi).

For iPhone or iPad you can download it from the app store using the search term 'HANDi app'.

You may know the RHS are at Chatsworth in early June – we have an exhibit in the schools section. A HUGE thanks to Becky who has teamed up with the gardening club and Mr Brimer to design a fantastic upcycle themed display. Good luck!
