SQUIRREL CLASS

Please take a look at your class book corner and thank you to the PTFA for agreeing to support our book renewal - remember to buy a lottery ticket as this is how we are making the money! Thank you.

Congratulations to everyone at school – children, parents, staff, Governors all provided the Church inspector with a wealth of information about our lovely, caring school community. Mrs Patterson was here to see 'how well the school's Christian vision supports the character and moral development of all pupils, giving them aspiration and hope for the communities of which they are a part'. The School Council also met the inspector and she was really impressed with their conversation, all they had to say about the school values and their examples of how they 'let their light shine'.

Have a lovely half term and enjoy the Autumn colours.

Cluster Fundraiser

We have joined in with other schools in the Lady Manners Cluster to raise funds for the Sheffield Children's Hospital. The children have been very busy writing jokes, little stories and poems to go in a book, which can be purchased, from the office for £2.

MUSIC FOR THE MIND

We we have committed to working with the local community to help give the children skills to use when they meet older people who may have memory troubles. Once a month a group of three Y5/6 will be going to work alongside 'Music for the Mind', a village lead group, in the Church Centre.

Wall – can anyone provide a quote for a stone wall to be built in place of the rotting wooden fence – at the bottom of the playground. We have a significant amount of limestone walling available. Please call the office 01433 630840. Thank you.

SECONDARY SCHOOL PLACES The closing date for applications is the 31st October.

School Meals

We say farewell to Mrs Grant, who will be leaving Eyam School at the end of next week. A big thank you from us all. Good luck and best wishes for the future.

The winners of the flan competition were Freddy & Honour. Mrs Thorp will use their recipes and cook them for lunch on Tuesday. Thank you to everyone who entered. It was a very difficult decision as they were all delicious.

We are striving to promote a healthy choice of school lunches. Please compliment this with a healthy morning or lunch box snack. No chocolate bars. Fruit, veg sticks or cereal bars (choc chips are ok but not chocolate covered biscuits). Thank you.

Parents' Forum: thank you for joining us for lunch this week and supporting our mission to provide a hot meal cooked on the premises. We will meet to review the new lunch menu and any further ideas once we've eaten through the new cycle! - Tuesday November 27th.

Everyone should have had a copy of the new autumn/winter menu, which will be served after the break - please let the office know if your child would like to opt for a jacket potato or sandwich on a particular day rather than the meal shown.

Lincoln Christmas Market Trip

On Sunday, 9th December we will be running a day trip to the infamous Lincoln Christmas Market, courtesy of Hulley's of Baslow. The bus will be leaving Eyam at around 9am, returning by 7pm for a day of festive frivolity, tasty treats and stress-free shopping (no need to find a parking spot or worry about driving home!). It is a beautiful market in a stunning location, runs for one weekend only and is well worth a visit. Tickets for the bus are priced at £23 per person and are available from Jayne Pritzlaff or your class representative.
