School Christmas Cards - PTA Fundraiser

The children will all be making their own Christmas cards at school again this year. Over the coming weeks a sample card will be sent home and you will have the opportunity to order Cards, Gift Tags, Tea Towels, Mugs and Eco-Bags featuring your child's design.

If you have any younger or older children not at school, they can still design a card at home and it will be submitted with the school order. Again you will receive a sample card and there is no obligation to make a purchase. **Templates will need to be completed and returned to school by 3.15pm Friday 28th September.**
