

Eyam Sport Matters

Autumn Term 1

School sports Organising Crew .

Tuesday 17th September 2019.

Four of our pupils were selected to be the Eyam CREW and attended training at The Arc. They learnt how to be Sports leaders and how to organise games and competitions. The CREW will bring all their ideas back to school to organise activities for the whole school.

“We made up games for all ages and abilities which was really good fun.”
