## Autumn Term 1

This Girl Can

Wednesday 25<sup>th</sup> September

This is a lovely report directly from the four girls who represented Eyam at This Girl Can”

“Olivia, Alice, Holly and Erin went to This Girl Can in Matlock. First, we went into a dance studio and did ballet and tap. We liked it because it was really good fun and a challenge. Erin thought it was very complicated doing all the hard steps that were being taught but she picked it up really well.

After that we went into the big hall and did an exciting obstacle course pretending to be in the water. We had to use a lot of teamwork. We had a wheel board and pulled ourselves along the floor which was really tricky.

Finally, we played a super game of dodgeball and then went home smiling and happy.”
