Autumn Term 1 2020

County Football Finals

Wednesday 9th October 2019.

This was a very proud moment for Captain Dan who had led his team to success in the first round. The finals of the football is always highly competitive and the level of play was phenomenal. Our team worked exceptionally hard throughout the competition and were thrilled to win a number of games and happy with our team work and determination. Being 8th in the County is a great achievement.

These are a few quotes from the players:

“Dan and Donte showed excellent teamwork and skill”.

“Will and Jack were excellent goalkeepers”.

“All our team played with determination and spirit, never giving up”.

The pupils reported that, “ We had a marvellous time because it was sunny and we had fun playing.”
