

EYAM CE SCHOOL CELEBRATE LINKS WITH THE VILLAGE

Eyam CE School celebrate their links with the village and its long history through creating a mosaic with local artists, Jane Littlefield and Winona Evans. The children were thrilled to see the mosaic in place. 'It catches the morning light and welcomes everyone into school at the start of the day,' said Mrs Gilbertson, the Headteacher.

MATLOCK TRAVEL SOCIETY *Well Done Doug!*

2019 got off to a good start when, in January, our Secretary Doug was interviewed for an article "My Group and I" a monthly feature in the magazine 'Group Leisure and Travel' published by Yandell Publishing Ltd - a monthly magazine for group travel organisers. It provides ideas, contacts and advice for people organising all types of coach tours, group trips and group holidays. For more information go to www.groupleisureandtravel.com.

Doug took over as organiser of our Group ten years ago and, because of Doug and his wife Marion's hard work, our group has gone from strength to strength. This year's programme promises yet more interesting and intriguing places to visit.

Perhaps you would like to join us.

On Tuesday 9th April 2019 we will visit Elisabeth Gaskell's House and the Pankhurst Centre, Manchester.
