

Peak Music Society

Membership Secretary REQUIRED

Love Music?

This is the job for you!

The Society is looking for someone with an interest in music to join the committee as membership secretary. It is an unpaid but vital role which is not particularly onerous for someone with computer skills. With this year's membership in place, the main tasks will not fall due until May, June and August 2018 and help with next year's renewals will be provided by the outgoing secretary.

If interested, please contact Robert Wright on 01433 630080 or 07720 929338 to discuss.

A WARM WELCOME AWAITS YOU AT EYAM SCHOOL

Our school is founded on positive team work as 'together everyone achieves more'.

Come and have a look at our wonderful learning environment and hear from the children what they like most about learning at Eyam - it might be Forest school, music, sport, learning outdoors in the new garden or adventurous challenges, one of the wide range of visits, cooking home grown soup! science week, our whole school-run through the village or activities led

by our budding Mini-Leaders. Every child is responsible for their unique contribution at Eyam and together we are resilient learners who celebrate success through a culture of respect. We are all proud to be an important part of the village community. Come and have a look, eyamprimary.co.uk or call 01433 630840 to make an appointment. We invite you to an open morning on Friday 10th November.

A BIG thankyou to the village which helped raise funds for our wonderful new garden which we recently opened - seen here as an outdoor learning resource as well as enabling us to grow lots of vegetables and learn about healthy eating - we used the stage to present our end of term show for parents.
