

## Maths

**Y5 - Consolidate understanding of four operations and fractions** (missed due to Covid lockdown)

### Geometry

Properties of 3-D shapes

Identify, measure and draw angles using a protractor

### Position and Direction

Identify, describe and represent the position of a shape following a reflection or translation

### Y6 Geometry

Measure and draw angles / calculate missing angles

Draw 2-D shapes using given dimensions and angles

Use nets to make 3-D shapes

Know parts of a circle (radius, diameter, circumference)

### Statistics

Interpret and construct pie charts and line graphs and use these to solve problems.

Calculate and interpret the mean as an average.

### Ratio and Proportion

Solve problems using ratio and proportion.

### Catch-up maths -

Volume and Time

## English

- **Class Texts:** Stone Age Boy (Satoshi Kitamura) and Stig of the Dump by Clive King

### Writing

- Write a narrative based on Stone Age Boy
- Descriptive writing using figurative language based on Stig of the Dump
- Write instructions for how to make a Stone Age savoury dish.
- Write a persuasive advertisement for a 'Stone Age' house.

### Reading Comprehension

Poetry analysis and question techniques.

## Stone Age - Iron Age

## Visitors/ Enrichment

- Enrichment Through Archaeology day

## Computing

- Write, design and debug programmes that accomplish specific goals including controlling or simulating physical systems.
- Solve problems by decomposing them into smaller parts.

## History

- To learn about the changes from the Stone Age to the Iron Age (daily life, food, homes, music, technology and inventions)
- Explore the way of life during the Stone Age (Palaeolithic, Mesolithic and Neolithic).
- Understand the transition from the Stone Age into the Bronze Age and the differences between both ages.
