Dear Miss Dines

I am writing to you to inform you about low stock of Fairtrade food and clothes. I've recently been shopping and there is not much Fairtrade food or clothes in the local shops. We are asking if you can make a difference, you could ask the shops to buy more Fairtrade food and clothes so more people can buy them.

Please do it for the people around the world, the farmers' plants are getting diseases and they are getting less money for their crops, and they won't have enough money to live.

If you do encourage the shops to stock more Fairtrade food and clothes, the farmers will live a good and happy life. It is affecting children's futures as they won't have enough money to have an education and buy food, so please encourage the shops to stock more Fairtrade food and clothes.

If you do it will make a big difference to the farmer's life's and make sure their hard work is appreciated.

Yours sincerely

Oscar and Theo
